

Betty Ross Education Scholarship

Proceeds from OWRA's Annual Conference Raffle are placed into a grant fund to provide educational opportunities for persons involved in wildlife rehabilitation and education. OWRA subsidizes this fund with money received from the Ohio Division of Wildlife's Wildlife Diversity Grant and proceeds received from participation in Earth Share of Ohio.

The Betty Ross Education Scholarship was established to carry on the legacy of the founding visionaries that has provided OWRA with the leadership and direction essential for establishing the professionalism of wildlife rehabilitation and education in Ohio. The OWRA Board of Trustees will award one OWRA member with the Betty Ross Education Scholarship annually. Funding will include: OWRA Conference registration fee, one pre-conference workshop fee, hotel accommodations, and NWRA educational material – a value of \$375. This is a member's only award. Please refer to grant policies for more information or email grants@owra.org with questions.

Application deadline for the Betty Ross Education Scholarship: September 15th
Recipients will be notified by October 8th
